The Slocan Valley Economic Development Partnership gratefully acknowledges the financial support of the Columbia Basin Trust, and the contribution from Arrow Slocan Tourism.

These farms and businesses live and work on the traditional, ancestral and unceded territory of Sinixt Peoples. We invite you to learn more about the history of this land and water that feeds us all.

Visit ↪ centralkootenayfood.ca for a regional Farm & Food Producer directory. Many thanks to CKFPC for their work!

★ We did our best to include all relevant Slocan Valley businesses here, and to ensure the information found in this brochure is correct.

When using this brochure, please remember that things do change and to double check information online or contact these businesses before making plans, to avoid disappointment.
